Kappas Kicked It Up at the 2015 Annual Convention

66th Annual Convention, An Event to Remember!

Convention Chair **Jane Otradovec** and the Zeta State, Missouri Kappas went above and beyond hosting the 2015 National Convention in Branson. The Chateau on the Lake Resort was the perfect location with modern luxury and natural charm - located on an Ozark Mountaintop overlooking Table Rock Lake. Business sessions, workshops, tours, receptions, etc. were all a part of the 66th Annual Convention. The Annual Banquet provided an opportunity to honor the service of the outgoing 2014-2015 State Presidents. The recipients of the 2015 Scholarships and Grants (totaling \$6,900) were announced and National President **Wanda Huhn** awarded Past National President **Linda Smith** the "President's Award". The night concluded with the introduction of the 2015-2016 State Presidents and the installation of the 2015-2016 National Executive Committee under the leadership of newly installed National President **Laurie Konrad**, Iota State, Nebraska - pinned by her daughter, **Christina Oliver**.

"Kappas Paint the World with Beauty"

National President Laurie Konrad, Iota State/NE

The National Convention in Branson, Missouri was just wonderful! I am very thankful for Jane Otradovec, her husband Jim, daughter Jennifer, and for all the Zeta State, Missouri Kappas! They were warm, inviting and very helpful! It meant the world to me to have my whole family with me for my Installation night. I have decided to share the last part of my Installation speech with all the Kappa members, especially those who could not attend the Convention.

Kappas Paint the World with Beauty. I believe that each Kappa brings to a blank canvas his or her own color and even shade or hue in order to create a beautiful painting together. In other words, we each bring our own talents or gifts and personalities together to create an organization that devotes its time to service: to schools, children, teachers, shelters, parents, hospitals, and whole communities. As we spread our service...or beauty across this big country of ours, we are creating an amazingly beautiful and unique painting of love, kindness and purpose. What sets us apart from other professional educators' organizations in our nation is we have been around for the longest time, and we have survived because we continue to grow and change with the world...more so because none are as loving and kind and purposeful as ours. We genuinely CARE about each other and also those we serve. We CARE about those teachers we mentor and CARE about those for whom we help to get scholarships, CARE about those students we tutor, CARE about those organizations we donate to and volunteer for. However, our country is big. There are so many opportunities here! We need to share this love and spread our beauty across this nation. There is much work to be done and we need to strengthen our cores and then add more paint colors. Invite those passionate educators who CARE about students and service and give them the opportunity to be beautiful shades of color to add to our palette. I challenge each of you this year to find one such educator...one such shade of color to add to our palette. I also challenge each of you to find your own color, your own beauty, your own gift that you can add to our palette so we can strengthen our organization to continue to serve with love and kindness and purpose. **Let Us Paint the World with Beauty!**

First Timers' Perspective

Over thirty first timers attended the National Convention in Branson, Missouri. First timer Kat Rhoads, Alpha State/OK, said, "This is a wonderful experience. I was impressed with the organized and informative assemblies. Learning about the delegate process was very interesting. I especially enjoyed meeting Kappas from other states. I have attended my local chapter and two State Conventions. Attending the National Convention helped put all the pieces in place for this exceptional organization."

Young Violets

The Young Violets kicked off their week at the 66th Annual Convention in Branson by donning their nightwear for a Movie Night/Pajama Party! They took this opportunity of being together to practice their 'dance' for National President Wanda Huhn's Reception. The Young Violets 'Painted the Town Purple' with activities that included a pontoon boat ride!

First Timer Kappa Guy, Danny Reutlinger

I would like to extend my thanks to the Kappa Kappa Iota organization for having a Kappa Guys function in Branson, Missouri during the National Convention.

The Kappa Guys met, had a great breakfast, short meeting, and then a great presentation by the South West Missouri Audubon Society on birds in the area and more specifically, bluebirds.

The speaker addressed questions from the group and presented each of us with an unassembled bluebird house. I totally enjoyed the morning. My wife, Linda, is a member of Gamma Kappa in Owasso, Oklahoma and this was our first National Convention and was totally enjoyed!

THANK YOU FOR YOUR GENEROUS DONATIONS
